MEET YOUR NEW STUDENT ADVISORY COUNCIL

Congratulations to the newly selected members! The SAC will be meeting in October to discuss cohort specific curriculum successes/opportunities and will provide that much needed feedback to the Faculty for follow-up. Later in November, the Faculty meets with the SAC to tease-out information and offer solutions to any opportunity. Do you have some thoughts you wish to share? Check out the link below to see your specific cohort's representative and pass it on! The whole council is very excited to hear your thoughts!

UPCOMING EVENTS

Peer Mentorship Night (Registration now closed)

October 10th at 1730h in ECHA 1-190

The peer mentorship program is put on by the NUA and matches first and second year nursing students with a mentor in their third or fourth year. This benefits students in the first two years by giving them a supportive person to talk to who has already gone through the stresses of nursing school, and benefits the older students by giving them someone to pass their wisdom on to and to develop leadership skills. This evening will be where the mentor/mentee matching occurs. You will also get to mingle with other nursing students and eat some pizza! If you can't make the kickoff event, no worries! Those that registered will be connected over email in October. Missed the cut-off to register? Please contact us at nua@ualberta.ca and our VP Academic will inform you of future events or online partnering options.
