ANNOUNCEMENTS

Nursing Formal

Thank you to everyone who attended and supported the nursing formal – we hope you had as much fun as we did! For those of you who attended, please fill out the feedback survey sent to your email if you haven't already. If you are interested in helping plan the next formal, send an email to cjreid@ualberta.ca.

CNSA National Conference Update

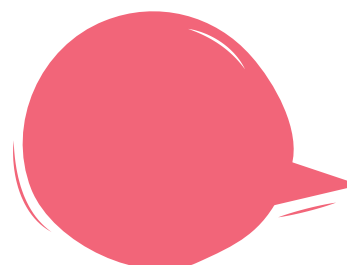

Want the scoop on what happened at the 2019 CNSA National Conference? Check your emails! Your CNSA delegates sent out an update including information regarding scholarships, free NCLEX prep (time sensitive), and advocacy work that is currently in motion around Canada. Following the conference, we would like to invite any students who have any positive and/or negative experiences from their time as a nursing student to email Rita and Jamie at alberta@cnsa.ca, so that they can continue to advocate for you and work to create a more inclusive, safe environment for you at our chapter school and in Canada.

New Subgroup! - Building Skills in Communication for Nurses

In following the trend of breaking barriers, we have a cool new subgroup open to all nursing students to help break communication barriers. BSCN (Building Skills in Communication for Nurses) is a student group that offers one-on-one mentoring, simulation sessions, and various group activities to support nursing students in practicing their communication skills. BSCN is now recruiting both mentors and mentees to join the group. If this is something you are interested in, please e-mail bscn.ualberta@gmail.com.

Like us on facebook at facebook.com/BSCNualberta or follow us on IG @bscn.ualberta to stay updated on sessions.
